

ACADEMIC APPOINTMENTS

- 2024 - **Postdoctoral Fellow**, jointly with the Centre interuniversitaire de recherche sur la science et la technologie (CIRST) (Center for Research on Science and Technology), the Réseau francophone international en conseil scientifique (RFICS) (International Francophone Network for Scientific Advice), and the Institut national de santé publique du Québec (INSPQ) (National Institute of Public Health of Quebec), Université de Sherbrooke
Supervisors: François Claveau (Francois.Claveau@USherbrooke.ca), Matthieu Ouimet (mathieu.ouimet@pol.ulaval.ca)
- 2024 - **Researcher**, ENDURE Project: Inequalities, Community Resilience, and New Governance Modalities in a Post-Pandemic World, HEC Montréal
Supervisor: Philippe Bourbeau (philippe.bourbeau@hec.ca)

EDUCATION

Université de Montréal

Since 2019 | Ph.D, Political Science

Université de Bordeaux

2017 – 2019 | M.A., Political Science

University of Warwick & Université Blaise Pascal

2014 – 2017 | B.A., History

RESEARCH, METHODS AND TEACHING INTERESTS

Research and Teaching Interests	Science, technology and policy Expert networks, policy advisory systems, and the institutionalization of scientific advice Uncertainty, emotions, evidence and policy; science-policy interface; bureaucratic autonomy Computational methods for policy
Skills and Methods	Textual data mining and Natural language processing (NLP) (using Python) Statistical modeling and data analysis (using R) Qualitative methods: semi-structured interviews, process tracing, network analysis, NVivo

GRANTS AND AWARDS

Grants

- 2024 | **Postdoctoral Fellowship (B3Z)**
Fonds de recherche du Québec – Société et culture (FRQSC) (Quebec Research Fund – Society and Culture) — \$90,000 CAD
- Joint Postdoctoral Fellowship**
Réseau francophone international en conseil scientifique (RFICS) & Centre interuniversitaire de recherche sur la science et la technologie (CIRST) (International Francophone Network in Scientific Advisory & Center on Science and Technology) — \$50,000 CAD
- 2022 | **Doctoral Research Fellowship (B2Z)**
Fonds de recherche du Québec - Société et culture (FRQSC) (Quebec Research Fund - Society and Culture) — \$49,000 CAD
- 2021 | **Practice-Based Internship Fellowship (BSMP)**
Fonds de recherche du Québec - Société et culture (FRQSC), awarded for the internship at Institut national de santé publique du Québec (INSPQ) (National Public Health Institute of Quebec) — \$9,000 CAD

Graduate Studies Scholarship

Centre interuniversitaire de recherche sur la science et la technologie (CIRST)
(Interuniversity Research Center on Science and Technology) — \$6,500 CAD

Awards

- 2024 | **Three Minutes Thesis Competition**, Second Place
Canadian political science association (CPSA)
- 2021 | **Three Minutes Thesis Competition**, Second Place
Société québécoise de science politique (SQSP) (Quebec Society of Political Science)

Research Grants

- 2025 | (*application submitted*) Collaborator with Louis-Robert Beaulieu-Guay (principal applicant),
“Evidence and Influence: A Systematic Analysis of Consultation Practices in Regulation,”
SSHRC Insight Development Grant

CONFERENCE PRESENTATIONS AND ORGANIZATION OF PANELS

Conference Presentations

- 2025
(*upcoming*) | **Lemor, Antoine** and Philippe Bourbeau. 2025. “Building Lasting Trust: Analyzing the Resilience of Science-to-Policy Institutions in Quebec and Sweden During the COVID-19 Pandemic”, ENDURE Brazil Workshop, São Paulo, March 12, 2025.
- Lemor, Antoine**, Alexandre Fortier-Chouinard, Gabriel Saso-Baudaux, Francis Lareau, François Claveau, Adrien Cloutier. *Upcoming*. “Quand la science fait-elle autorité ? Mesurer la crédibilité scientifique des organisations de santé publique dans les médias canadiens (When Does Science Have Authority? Assessing the Scientific Credibility of Public Health Organizations in Canadian Media)”, 92th Congress of the Francophone Association for Knowledge (ACFAS), Montreal, May 7, 2025.
- Lemor, Antoine**. *Upcoming*. “L’interface science-politique à l’ère des problèmes complexes : une analyse de l’influence des agences scientifiques sur les politiques publiques au Canada” (The Science-Policy Interface in the Era of Complex Issues: An Analysis of the Influence of Scientific Agencies on Public Policies in Canada). Communication proposed for the Canadian Political Science Association Congress (ACSP), Toronto, 3-5 June.
- Lemor, Antoine**. *Upcoming*. “Credible Science, Influential Science? A Computational Study on the Influence and Credibility of Public Scientific Research Agencies in Public Health in Canada”. Communication proposed for the 7th International Conference on Public Policy (ICPP7) of the International Public Policy Association (IPPA), 2-4 July.
- Louis-Robert Beaulieu-Guay et **Antoine Lemor**. *Upcoming*. “Credible Science, Influential Science? A Computational Study on the Influence and Credibility of Public Scientific Research Agencies in Public Health in Canada”. Communication proposed for the 7th International Conference on Public Policy (ICPP7) of the International Public Policy Association (IPPA), 2-4 July.
- Lemor, Antoine**, and Tristan Boursier. *Upcoming*. “Une science extrême : usage stratégique du discours scientifique par l’extrême droite en ligne” (Extreme Science: The Strategic Use of Scientific Discourse by the Online Far Right). Communication proposed for the Canadian Political Science Association Congress (ACSP), Toronto, 3-5 June.
- Boursier, Tristan, and **Antoine Lemor**. *Upcoming*. “Unifier, influencer et monétiser la haine : les fonctions stratégiques de l’antiféminisme en ligne au sein de l’extrême droite” (Unify, Influence, and Monetize Hate: The Strategic Functions of Online Antifeminism within the Far Right). Communication proposed for the Canadian Political Science Association Congress (ACSP), Toronto, 3-5 June.
- Pillod, Alizée, **Antoine Lemor** and Matthew Taylor. *Upcoming*. “Régions, Médias et Changements Climatiques : Comment les Contextes Provinciaux et Linguistiques Orientent

les Stratégies de Cadrage” (Regions, Media, and Climate Change: How Provincial and Linguistic Contexts Shape Framing Strategies). Communication proposed for the annual conference of the Société québécoise de science politique (SQSP), Montreal, 21–23 May.

Lemor Antoine, Alizée Pillod and Matthew Taylor. *Upcoming*. “When Climate Scientists Speak, Do Policymakers Respond? A Computational Study”. Communication proposed for the conference of the American Political Science Association (APSA), Vancouver, 11-14 September.

Pillod, Alizée, **Antoine Lemor** and Matthew Taylor. *Upcoming*. “Tracing the Frames: Canadian Media Coverage of Climate Change, 1988-2023”. Communication proposed for the conference of the American Political Science Association (APSA), Vancouver, 11-14 September.

Pillod, Alizée, **Antoine Lemor** and Matthew Taylor. *Submitted*. “Regions, Media, and Climate Change: How Provincial and Linguistic Contexts Shape Framing Strategies”. Communication proposed for the annual conference of the Prairie Political Science Association (PPSA), Banff, 19–21 September.

2024 **Lemor, Antoine** and Éric Montpetit. 2024. “Beyond Evidence: How Framing Shapes Public Health Policies During Health Crises.” French Political Science Association Congress (AFSP), Grenoble, July 4, 2024.

Pillod Alizée, **Lemor, Antoine**, and Matthew Taylor. 2024. “The Construction of Climate Change in National Print Media” (La construction du changement climatique dans les médias imprimés nationaux). Canadian Political Science Association Congress (CPSA), Montreal, June 12, 2024.

Lemor, Antoine and Éric Montpetit. 2024. “Beyond Evidence: How Framing Shapes Public Health Policies During Health Crises.” Canadian Political Science Association Congress (CPSA), Montreal, June 12, 2024.

Lemor, Antoine and Éric Montpetit. 2024. “Beyond Evidence: How Framing Shapes Public Health Policies During Health Crises.” Conference on Policy Process Research (COPPR), Syracuse (US), May 15, 2024.

Lemor, Antoine and Éric Montpetit. 2024. “Beyond Evidence: How Framing Shapes Public Health Policies During Health Crises.” International Political Science Association Conference (IPSA), Montréal, April 26, 2024.

Lemor, Antoine and Éric Montpetit. 2024. “Science ou émotions ? Le rôle de l’incertitude et des émotions dans les politiques pendant la pandémie de COVID-19” (Science or Emotions? The Role of Uncertainty and Emotions in Policies During the COVID-19 Pandemic). Journée de recherche du Centre de politiques et de développement social (Research Day of the Centre for Policy and Social Development [CPDS]), Montreal, March 22, 2024.

2023 **Lemor, Antoine**. 2023. “Science ou émotions ? Le rôle de l’incertitude et des émotions dans les politiques pendant la pandémie de COVID-19” (Science or Emotions? The Role of Uncertainty and Emotions in Policies During the COVID-19 Pandemic). 23e Colloque du Centre de recherche sur la science et la technologie (23rd Colloquium of the Centre for Research on Science and Technology [CIRST]), Montreal, December 14, 2023.

Congrès de l'Association francophone pour le savoir (90th Congress of the Francophone Association for Knowledge [ACFAS]), Montreal, May 12, 2023.

Lemor, Antoine. 2023. "Autonomie bureaucratique et autonomie de la recherche dans une organisation de recherche publique" (Bureaucratic Autonomy and Research Autonomy in a Public Research Organization). Conférence du Centre de recherche sur les politiques et de développement social et du Centre d'études et de recherches administratives, politiques et sociales (Conference of the Centre for Policy and Social Development and the Centre for Administrative, Political, and Social Research [CPDS and CERAPS]), Lille, February 26, 2023.

2022 | **Lemor, Antoine,** M. Alejandra Costa, Louis-Robert Beaulieu-Guay, and Éric Montpetit. 2022. "La science contre le temps. La diminution de l'influence des experts pendant la pandémie de COVID-19 au Québec" (Science Against Time: The Decline of Experts' Influence During the COVID-19 Pandemic in Quebec). 89e Congrès de l'Association francophone pour le savoir (89th Congress of the Francophone Association for Knowledge [ACFAS]), Montreal, May 11, 2022.

Lemor, Antoine, M. Alejandra Costa, Louis-Robert Beaulieu-Guay, and Éric Montpetit. 2022. "La science contre le temps. Diminution de l'influence des experts pendant la pandémie de COVID-19" (Science Against Time: The Decline of Experts' Influence During the COVID-19 Pandemic). Canadian Political Science Association Congress (CPSA), May 27, 2022.

Lemor, Antoine, M. Alejandra Costa, Louis-Robert Beaulieu-Guay, and Éric Montpetit. 2022. "Evidence Against Time: Experts' Influence Erosion During the COVID-19 Pandemic." 3rd International Workshop on Public Policy (IWPP3), Budapest, June 28, 2022.

Panel & Conference Organization

- 2025
(*upcoming*) | "Advanced Computational Methods for Public Policy: NLP, ML, and LLMs"
Chair of the panel, co-chaired with Louis-Robert Beaulieu-Guay, at the 6th International Conference on Public Policy (ICPP6) of the International Public Policy Association (IPPA), Chiang Mai, 2–4 July.
- "Science et politiques publiques : enjeux, défis et perspectives des politiques publiques informées par la science" (Science and Public Policy: Challenges and Perspectives of Science-Informed Public Policies)
Co-chair of the panel with Alizée Pillod, at the annual conference of the Société québécoise de science politique (SQSP), Montreal, 21–23 May.
- 2024 | "Colloque des grands enjeux politiques du XXIe siècle" (Conference on Major Political Issues of the 21st Century)
Co-organized with the Association of Graduate Students in Political Science at Université de Montréal (AECSSPUM), 13–15 May.
- 2023 | "Science et prise de décision politique dans la gestion de la pandémie" (Science and Political Decision-Making in Pandemic Management)
Co-organized with Jacques Bélair and Éric Montpetit. Panel organized as part of the 90th Congress of the Association francophone pour le savoir (Congress of the Francophone Association for Knowledge [ACFAS]), Montreal, 12 May.

TEACHING EXPERIENCE

Instructor

2021, 2022, | POL1901 – Dynamique de la vie politique (Dynamics of political life)
2023, 2024 | Université de Montréal

Teaching Assistant

- | | |
|------|--|
| 2021 | POL1330 – Administration et politiques publiques (Public administration and public policy)
Université de Montréal |
| 2020 | POL3321 – Administration publique comparée (Comparative Public Administration)
POL1330 – Administration et politiques publiques (Public administration and public policy)
Université de Montréal |
| 2019 | POL2102 – Pensées politiques contemporaines (Contemporary Political Thought)
Université de Montréal |

PROFESSIONAL EXPERIENCE

- | | |
|-------------|---|
| 2021 – 2022 | Knowledge transfer evaluation internship
Institut national de santé publique du Québec (INSPQ) |
|-------------|---|

DEPARTMENTAL AND UNIVERSITY SERVICE

- | | |
|-------------|--|
| 2020 – 2024 | Treasurer (elected in 2020, re-elected in 2021, 2022, and 2023)
Association of Graduate Students in Political Science at Université de Montréal
(AECSSPUM) |
| 2022 – 2023 | Graduate Student Representative
Committee on International Affairs Planning and Orientation (COPAI)
Université de Montréal |
